## WINTER CAR EMERGENCY KIT

Before heading out this winter, make sure your car is prepared for an emergency in case you should become stranded. Be sure your vehicle contains at least these items:

- ◆ Inflated spare tire, wheel wrench and jack
- ◆ A shovel
- ◆ Jumper cables
- ◆ A bag of salt, sand, or kitty litter
- ◆ Tool kit
- ◆ Tow chain or rope
- ◆ A survival kit, which should contain:
  - ◆ Flashlight with extra batteries
  - ◆ First aid kit
  - ◆ Ice scraper and snow brush
  - ◆ Non-perishable, high energy food like nuts, dried fruit and hard candy
  - ◆ Extra pairs of socks, gloves and hats and/or blankets
