

# The Nightmare

The nightmare of Coronavirus, otherwise known as COVID 19  
So many innocent lives lost,  
So many lives changed.

**WEAR MASKS! SOCIAL DISTANCE! WASH YOUR HANDS!**

No celebrations or ball games with cheering fans.

I miss my life...

How it used to be.

Playing sports, going to school, the friends I used to see.

Why can't it end?

Now I spend....

All of my time dreaming about....

How it used to be.

I'm learning from home this year.

I feel like the only one who sees it clear

That it's just not safe to go back to how it used to be.

I too wish I was at school, showing off my sharp new school gear!

Why can't it end, why can't I wake up from this COVID nightmare?
