

1. We all know that 2020 isn't the best year but little do you know the worst ain't here
The first thing happened in a blink of an eye, A wildfire started- a billion animals die.

Refrain: 2020. Why are you ruining our earth? All of our people are starting to hurt?
but all I can do is pray to the Lord- too many are letting Him be ignored.

2. In Indonesia, flash floods came- will our world ever be the same?
After that was the start of the covid-19- the world went on a quarantine.

Refrain: 2020. Why are you ruining our earth? All of our people are starting to hurt?
But all I can do is pray to the Lord- too many are letting Him be ignored.

3. Next thing was as violent as can be, black lives matter plus you and me.
Riots and burning all across the land, I guess I'll never understand.

Refrain: 2020. Why are you ruining our earth? All of our people are starting to hurt?
But all I can do is pray to the Lord- too many are letting Him be ignored.

4. Covid continues, will it ever go away? I just can't wait until that fine day.
Until then we must all wear our mask, keep 6 feet apart just as was asked.

Refrain: 2020. Why are you ruining our earth? All of our people are starting to hurt?
But all I can do is pray to the Lord- too many are letting Him be ignored.

5. Here's hoping 2021 will be a better year. All of the bad memories just disappear.
My faith in the Lord will see me through, this is what we need- I wish you knew.

Refrain: 2020. Why are you ruining our earth? All of our people are starting to hurt?
But all I can do is pray to the Lord- too many are letting Him be ignored.
